In Year 2 this term we have been extremely busy with our topic, 'The world through my binoculars'. The children have been learning about different explorers and voyages of all kinds as part of our History and Geography work. Christopher Columbus sailed the high seas! Neil Armstrong zoomed to the moon! It has been really exciting to use our Geography skills in our Maths and ICT lessons, by using maps and directional language to guide a bee-bot.

In Maths lessons we have been really focused on using Number Bonds, Times Tables and other important number facts to support us with calculation.

How many tables does your child know?  
Ask them which mission they are on!!

Watch this space for new on our Y2 school trip.

Foundation Subjects Curriculum Map 2014/15

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Reception	We are unique	Let's Celebrate	People Who Help Us	Up, Up & Away	Growing	Animals
