

Year 3 Curriculum Newsletter

Exciting news!

Year Three are very lucky because they have now started an exciting new Music curriculum. Each child will be learning the violin with a specialist music teacher!

In Year 3 this term we have travelled back 40,000 years to the Stone Age. After working as archaeologist studying artefacts and cave paintings, we discovered what it would have been like to live in the Stone Age. Living in a cave, hunting and gathering food, wearing animal skins and cooking on a fire are just some of the things we would have had to cope with.

We have been using our topic work in English too. We have used Stone Age Boy, a book about a little boy who travels back in time, to write our own stories.

In Maths we have been super busy learning our times tables facts for 2x 5x and 10x. Some of us are now learning our 3x tables too! We have been practicing them as jumps along a number line.

Foundation Subjects Curriculum Map 2014/15

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
