**10th February 2017**

**Dear Parents/Carers**

It is difficult to believe that we are already half way through the academic year.

I hope you agree that it has been beneficial for you and your child to hold parent consultations in class. Certainly the feedback we have received has been very positive. We do recognise that it is not possible for all of you to attend these school time sessions. Your child's class teacher will be happy to make an appointment after school if this is the only time you can come along to discuss your child's progress.

As some of you are aware Mrs Sajawal (Year 5 TA) is expecting a baby and will be starting her maternity leave today. I'm sure you join me in wishing her all the best. I would like to thank you, once again, for all your support and co-operation especially as the building work is causing some inconvenience. I am sure it will all be worth it in the end.

Children return to school on Monday 20th February.

Have a lovely half term

break!

## Unwanted Uniform

We would like to request if parents can donate unwanted items of uniform to the school so we can use them as spare uniform. This is an opportunity to clear out the cupboards over the half-term break. Please donate any good quality used uniforms by handing them into the School Office clearly labelled 'Unwanted Uniforms'.
