

# E-SAFETY AT MAIDENHALL

## KEY POINTS TO REMEMBER:

- Don't post any personal information online.
- Never give out your passwords.
- Only visit websites that are meant for class work.
- Don't make online friends with people you don't know.
- Think carefully about what you say before you post something online.
- If you see something online that makes you feel uncomfortable, turn off your computer and tell an adult you trust.
