

Maidenhall Primary School Newsletter

26th March 2018

Dear Parents/Carers

This half term has flown by! Once again, your children have had some very exciting learning opportunities due to visits from theatre groups, science 'wizards' and we have even had some exotic wildlife in school. These experiences are not only fun but help the children to learn about the world around them, promote discussion and enhance the writing that is produced in class.

We are looking forward to a very busy and exciting summer term. Please check the dates of events and school holidays. It is of the utmost importance that your child attends school every day so that they do not miss any learning opportunities. We will be offering some wonderful rewards to those children who have excellent attendance.

Progress reports will be issued at the end of term – please share them with your child. We will also be saying goodbye to three members of staff – Mrs Brookes, Mrs Headland and Miss Hope. I am sure you will join with us in wishing them lots of luck in their new ventures.

Have a wonderful holiday (last day is Thursday, 29th March) and we look forward to welcoming you all back on **Monday, 16th April.**

From Coral Campion and the Senior Leadership Team
